Dear Mr. Kreusser:-

My photographs are scheduled for a showing here in Colorado Springs about the middle of this month. As you requested them for two month period, April first to June 1st, I expect you are now through with them.

I am anxious to hear how the exhibit was liked, and any comments you may have to make.

It was a pleasure and interest to see your museum in March and I enjoyed my visit very much.

If you will kindly return my prints as soon as is convenient for you, I will appreciate it.

With best wishes, I am

Sincerely yours,
