My dear Mrs. Ryan:-

May I recall to you our correspondence of last fall regarding my showing my Southwest Lantern Slides at your Book Club. I am going east this week, but will be going the southern route to Saint Louis etc. If you still wish me to do this, I can stop off on my way home about the 17-20 of March.

I am making a number of stops on my way to New York, and will reach there about the last of this month. My address there will be % Miss Brenda Putnam,

356 West 22nd St., N.Y. City.
Or a letter to me here will be forwarded.

Hoping that I may have the pleasure of meeting you before long, I am

Sincerely yours,
