My dear Miss Gilpin

Thank you so much for sending on the slides.
I am enclosing herewith a check for \$150.00 in payment
of them.

We will be very pleased to receive your prints
which you say will reach us about the 22nd or 23rd of
January.

I do hope that the next time you come East you
will have an opportunity of stopping off in Buffalo
and seeing our Museum. Further, when eventually you
get your lecture on Yucatan prepared I will be very
glad if you will send it on and permit me to inspect it.

Stanley Lothrop spent the day with us yesterday.
We had a very nice visit with him.

Yours very truly

Chauncey J. Hamlin
