Dear Miss Gilpin:

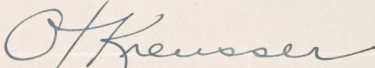

Thanks for your letter of the 8th regarding your exhibition of photographs of Yucatan and the Southwest.

We will be glad to have you route these to us for a two months' period any time after April 1st.

In the meantime, at your convenience, would you let us have a list of titles of the prints or a description of the subject matter. It would help us in making our preparations for showing them, and also in connection with such publicity as we may release.

With appreciation of your interest,

Sincerely yours,

O. W. Kreusser
Director
