

Your lecture to the Museum
fans. Who will love it.
And I am^{as} glad about
it as I can be.

We hope Friday Feb.
21st will be right for
you.

Thursday^(20th) was consid-
ered but Russian Ballet
date here jumps that
up a bit.

Doubtless you are letting
Miss Gray have that
probable or certain

1/22/36.

Dearest Laura.

We are all
agog with joy and
looking forward to
seeing you as soon
after Brenda comes
as you can make
it.

Miss Hallie is
deighted to have
the chance to give

[ERIC RUBEN MAPOTHER.]

date of your arrival in a day
or so. It certainly will be a delight
to see you & to have you and
B.P. seems magical.

Can you send me at earliest
moment several of your folders
just on a chance I'm dying
for?

This is just a bit of a note
in a passionate hurry to
tell you how happy I shall
be to see you.

W. Newman can not get here.
I am ~~very~~ sorry. No large time work,
but that is all the better for B.P.

I think, with the big job she
is doing we expect her to have
everything just as she wants it and
to endure the furious struggle —
Do let me hear from you.

James, as soon as is possible call. Please with duplicate to Jim.
