My dear Miss Gilpin:-

We are returning under separate cover the photograph you so kindly contributed to our recent exhibition. Unfortunately funds did not permit us to publish a catalogue but those who saw the exhibition and were competent to judge felt that it was of unusual interest and quality.

Again thanking you for your cooperation in making the exhibition possible,

Yours sincerely,

August 17, 1936
Director.

In my opinion your contribution was quite outstanding in the show. I haven't forgotten the new man show we discussed. Best regards.
