Mr. Jesse L. Musbaum
Mesa Verde National Park
Colorado

Dear Jesse:

It is a long time since I have heard from any of you, and I wish I could be dropping in for a good visit. I am enclosing herewith a set of postcards which I have just gotten out and which, I trust, can be put on sale at the Museum at the Park. I thought I would try the original series and see how they would go. I think the reproductions are excellent, and they can be sold at two for five cents. I can make a price to the Museum of fifteen dollars (\$15.00) a thousand. I am hoping that this will be the beginning of a series that may work into some sizeable output in the state.

Incidentally, if you would care to add to your lantern slide series, a few slides of Hovenweep or Wupatki, I can make these for you at any time. I made some negatives a year ago last fall.

Life is fairly strenuous here with us, and we often speak of you and Aileen and wish that we could see you. A brief note from Aileen at Christmas time from Santa Fe is about the only news I have had of you for many months, and I hope something brings you this way shortly.

Please drop me a line as to what you think the Museum can do in regard to the cards. They are all here and I can make delivery at once.

With best wishes,

Sincerely yours,
