Dear Mr. Sanders:

For many weeks I have been meaning to write to you regarding last summer's photographs of the "Gondoliers". I have never received the prints that you did not sell, and as I was working on these I made more copies than I had expected, and so sent them on to you on the chance of selling them.

I believe there is still a balance due me, and I would appreciate ~~it at any time~~ that you can send it, and also did you keep for yourself what pictures you wanted for all the work you did on this connection?

With best wishes,

Sincerely yours,
