Los Poblanos Ranch
Albuquerque, New Mexico

My dear Mrs. Simms:

Thank you very much for your letter, and I will be most happy to make the photograph for you. I have been consulting with the Curator of the Taylor Museum here as to the best time for the other work I am to do in New Mexico, and I believe that if it is convenient for you it would be best if I came straight to Albuquerque first, either June first or second, to do your work. The other would follow later. If you have not already made other plans for the production of your school catalogue, I will be very glad to give you estimates on the completed thing, as I have been doing a good ~~many~~ similar pieces of work.

I hope very much that Miss Bennett will still be in Albuquerque when I come, as I would enjoy seeing her in Chicago, and have missed her the times that she has been here at Fountain Valley.

Hoping that these dates will be satisfactory to you,
I am

Very sincerely yours,
