HOTEL MC ALPIN

BROADWAY AT 34TH STREET

NEW YORK CITY

Dear Miss Gilpin

I arrived back in New York, all well, last Wednesday. One of my first acts was to secure a meeting with Mr Jackson and spent a very interesting hour with him at his hotel. I am taking back with me two of his original photographs for the R. P. S. Collection.

My friends are giving a farewell tea & cocktail party on Tuesday to enable me to meet again many of the friends I have

" ONE BLOCK FROM PENNSYLVANIA STATION "

made here and Mr Jackson has been invited too.

I have so much to do before I go that I have little hope of getting all done. Two precious and very fine days have had to be given up to sorting and packing the British prints from the Exhibition. I am rather looking forward to the four days of quiet that I shall have on the water.

I must thank you once more for your kindness during my stay at Colorado Springs which will always remain one of my pleasantest memories

With kind regards

Yours sincerely

J. Dudley Johnston
