Miss Laura Gilpin
Colorado Springs, Colorado

Dear Miss Gilpin:

Mrs. Simms asked me to send you a note telling you that there will be some further changes in the copy for the book, so that it should not be set up completely yet.

If you could give us with the proof of the pictures about two paragraphs of the copy showing spacing, type, etc., and leaving blank pages in the dummy for the rest of the copy, that would be enough for us to go by. The story will be the same length, but there may be minor changes. Will you please urge the printer to make haste, since the summer is short and we are counting on the book to land some pupils for next year?

Mrs. Simms asked me to give you her address. It will be Turpin Ranch, Kelley, Wyoming, from the first of July until the middle of the month. If you cannot get the proofs to her here before she goes, will you please send it to Turpin Ranch and telegraph her there so that there will be no delay about picking it up at Kelley? Then if you can send me a dummy at the same time we can save time in going over it.

It was so nice to have you come back the other day. I don't think I thanked you for the candy which you sent to the faculty. It was such a delicious kind and we all enjoyed it and appreciated your thought very much.

My best wishes to you

Sincerely,

Louise Patterson
