Dear Miss Gilpin:

Miss Patterson has requested me to write you asking you to send her another glossy print of the picture of the east corner of the buildings, showing the main entrance and the schoolhouse. In the new print she would like to have you leave the picture untrimmed on the perpendicular edges in order to show as much of the surrounding country as possible.

We all hope you have had a very Merry Christmas and that the New Year will bring all good things your way.

Sincerely yours,

Frances Hinckley
