My dear Ruth:-

The lantern slides are off to you special delivery with this mail and I trust will reach you safely to-morrow in plenty of time for your departure.

There are thirty six slides of the school and four Southwest slides from my series. If you do not want to buy the Southwest for your permanent collection I gladly loan them to you for use while you are away.

I do hope that the slides will bring you lots of pupils for the school.

Please accept the framing of the Lupin Leaves as part of the gift! As I didnt have one in my pocket when I was down I couldnt do it on the spot.

Fanny tells me that several members of your household were down with colds. I do hope that all have recovered and that you start south with a good bill of health. Fanny also tells me that your turkeys are as good as ours! We have never claimed that we raise the only good turkeys that grow!

With all good wishes for the new year to all of you,

Affectionately
