Dear Miss Gilpin,

The Museum is organizing an exhibition of American Art to be shown in May in the Musee du Jeu de Paume in Paris, under the auspices of the French Government. In arranging the architectural section of the exhibition, I find that we shall probably need handsome pictures of the Governor's Palace at Santa Fe, the church at Laguna, the Taos Pueblo (or Acoma or any one that photographs particularly well) and San Xavier del Bac at Tucson. If you have pictures of these, we would like very much to be able to see proofs of them in order to make our selection. You would of course receive credit for any we might use.

As the time is very short, we would appreciate hearing from you as soon as convenient.

Will you also
send your rates?

Very truly yours,

John McAndrew
