My dear Miss Gilpin:

Mrs. Astor and Mr. Whalen ask me to tell you how glad we are to have your acceptance of our invitation to serve on the Colorado Advisory Committee on Women's Participation for the Fair. We feel that your cooperation will be a most valuable contribution, both to your State's participation and to the Fair.

We hope that as a member of this Committee you will feel you are an Ambassador of Goodwill for the New York World's Fair. Please do feel free to send us your advice and suggestions, and any information reflecting the interests and thoughts of the citizens of your State.

With our very real appreciation of your interest and willingness to serve,

Sincerely yours,

Monica Barry Walsh
