Gentlemen:

Miss Jennie Chavez of this city has brought me three postal cards carrying the notation "Copyright, Gilpin Publishing Co., Colorado Springs, Colo.". On each of these three cards Miss Chavez is pictured in Spanish costume, and she tells me that your use of her picture in this commercial way is entirely unauthorized.

Miss Chavez states that her mother is particularly disturbed by these reproductions, and it will be necessary for me to take action for damages unless you desire to make a satisfactory arrangement with Miss Chavez.

Very truly yours,

Dudley Cornell
