

October 22

Dear Miss Gilpin,

I am more than glad to co-operate with you and Miss Von Quelen on your work, and hope that it is quite successful!

Living so far away, I'll be unable to attend camp reunion, as much as I'd like to, so I won't be able to see the proofs. But I would appreciate your sending them to me, because I'm certain I want some of the photographs taken at camp.

Sincerely,

John Draper
