Dear Mrs. Gilpin:

Mrs. Petri has forwarded us your letter for reply. We want first to place with you an order for two dozen (24) more pictures in the assorted poses which you mailed in our last order.

In regard to the possibility of presenting Dr. Petri, we wish to say that he could come to you after either of the following dates:

January 4th, when he will be in Aberdeen, South Dakota.

There is a possibility of a return engagement with the Chicago Symphony on ~~January 20th~~ Feb. 13th.

After his New York engagement on February 24th, — and there is also a possibility of his returning to Chicago on March 19th to play for the Adult Education Council.

Dr. Petri's fee for a single engagement is \$300.00, but if you can assure him of three engagements and arrange them so that they will be on one trip, we would be glad to send him to you for \$750.00 for the three engagements. We are very anxious to have Dr. Petri come to you and would be pleased to have some word from you as soon as you have conferred with the persons concerned.

Sincerely yours,
