Mr. Dudley Cornell,
First National Bank Bldg.
Albuquerque, N.M.

Dear Mr. Cornell:-

Your letter comes as a great surprise as the photographs taken in which Jose Chavez appeared were made expressly for Mr. Weir of La Placita and it was my understanding that she had given Mr. Weir full consent for them.

These cards were made solely for Mr. Weir and have not even been shown anywhere else. I am writing to him with this mail and refer you to him as he produced Jose Chavez for this purpose.

Only a very small number of cards have been delivered to Mr. Weir and I shall not send him any more until the matter is straightened out.

If you wish any reference for yourself in Albuquerque, I refer you to Mr. Albert Sims of your city as I have done a great deal of work for both Mr. and Mrs. Sims.

It is possible that Mr. Weir will have some definite information for you regarding the taking of the photographs for it was certainly my understanding when they were done that all consents were granted.

Very truly yours,
