Miss Gladys H. Edward, Mgr.
Musical Artists' Bureau
New York City.

Dear Miss Howard:-

Following the instructions sent me by Mr. William Allen, I am sending you to-day 3 dozen glossy prints of "r. Petri. There are two additional prints to fill out the half dozen, four of which were previously ordered sent direct to Mr. A.J. Gaines, Minneapolis.

I am presuming that the bill is to be sent to you and I enclose it herewith.

Would you be so kind as to send me the amount of the fee for a concert by Mr. Petri. I am endeavoring to secure an engagement for him here. Also I am going to Albuquerque next week, and believe it possible to do something for him there.

With best wishes for a highly successful season for this very great artist,

Very truly yours,
