My dear Miss Fergusson:-

Thank you very much for your letter and the list of five photographs which go off in to-day's mail to Mr. Jacobs. Will you be wanting the five you selected at an earlier date? One of the latter, the Grand Canyon picture has been selected for reproduction in this year's U.S. Camera Annual by Mr. Steichen. I am very pleased to have it here, of-course, particularly at the number of pictures sent in for the competition was fifteen thousand.

I do hope that all goes well with you and that your new book will be a great success.

My kindest regards to your mother and yourself,

Most sincerely yours,
