Mr. John H. Helm, Jr.,
Kansas State College,
Manhattan, Kansas.

Dear Mr. Helm:-

Please pardon my delay in answering your letter of September 30, but I have been out of town. The photographs of Ward Lockwood's murals are rather small, as they are a part of an interior photograph of the end of the room in which they are placed. If you think these will do, I will be glad to make you a glasser print, or if you wish me to photograph for you each mural, I will be glad to do so. I am enclosing a post card which is a reproduction of an original interior which will show you that I have done all these. I have a close up of Kenneth Adams mural which is opposite Ward Lockwood's. I believe that he is originally from Kansas is he not? You may wish to have this one also.

I have not quite let you have as this only reproduction is collotype.

I shall be glad to undertake this small job for you at any time if you wish it done. Should you wish to reproduce either mural, I can make you a set of these color separations of them.

Being that this information will not be too late in reaching you, I am.
