Dear Dr. Mekeel:

I have just found out that Mr. and Mrs. Stewart are on their way home and should be here in ten days or two weeks.

I have written to Mrs. Stewart regarding the bracelets, also telling her of your fine display of her collection, and I am hoping that they will be able to go down to see it before you take it down. I also hope that they will add the bracelets to the Stewart silver collection.

With best wishes, I remain,

Sincerely yours,
