Dearest Aileen:-

At long last my prints are ready to go East to have the post cards made and I find that I have neglected some important information gathering. This however, can be sent on after. For reasons best known to us both, I prefer not to go to the Museum here for such information. The only book I have on the New Mexico Missions is Cleve Hallenbeck's. I need information on the Ranchos Church, and the Santuario. Hallenbeck says that Ranchos is not a Mission also he spells it "Ranchas". His date is 1772. The "Santuario" (is no "c" correct?) he dates 1806.

May I ask the great favor of you to check these dates etc. so that I will have it all correct? I hate to bother you and I do hope that it will not be too much trouble.

My best to Deric, and hopes that I will be seeing you in two or three weeks.

Affectionately,
