My dear Marie:-

Thank you so much for your letter. I was glad to get it. I have been hoping that I could come down to see you for the last month but have not been able to get away.

I am sending you to-day six sets of the Acoma post cards. These six cards in the envelope are to sell for 25¢ a set. When you sell these send me one dollar and I will send you eight more sets. You see I sell you two sets for 25¢ and you get 50¢ for two sets. I hope that you will sell a great many.

If you will keep the price at 25¢ as I request, which is the same as they are selling in Santa Fe and other places, you will sell many more than if you try to ask more. If we work to-gether on these we will both make some money out of it.

Just as soon as I can come we will make some more pictures.

I hope you are well. Please tell Mrs. Rea I will send her some cards too so that you can both sell them.

Your friend
