

Nov. 8, 1939.

Dear Mr. Petri:-

It was indeed good news to hear direct from you and to know that you are safe and sound on American soil. I have worried greatly about you.

Now that your tour has been changed I am hoping that it will make a big difference here. The previous date came within a week of a concert already scheduled for Harold Bauer, which was the reason I failed to be able to do anything at that time.

Mrs. Simms is in New York and I am also writing her about your concert in Albuquerque and to Mrs. Cranmer in Denver to see what can be done there.

I shall find out immediately what the January schedule is in Colorado Springs and let you know if it will be possible to swing a concert here.

Since you were here a friend of mine sent me six of your wonderful records including Opus 111 and they are a constant source of joy.

As soon as possible I will let you know what I have been able to accomplish.

With kindest regards to Mrs. Petri and yourself, I am

Very sincerely yours,
