Dear Sir:-

Enclosed please find application blanks for twenty six photographs for copyright. Also check enclosed for \$26.00 for registration fee.

I am using these photographs on a series of postal cards but wish the photographs themselves copyrighted. Also enclosed please find some sample cards and I trust that the wording is correct on these.

There are five pictures used in this series which I am sure I have previously copyrighted. However, I must have mislaid the certificate. To make certain that everything is in order may I ask you to check these photographs and if they are not registered, I will send the blanks and money at once. I enclose the post cards of these five pictures.

All of these post cards are now ready for distribution.

Very truly yours,
