My dear Mr. Weir:-

Enclosed please find a copy of a letter I received to-day which has come as a great surprise to me.

at the time that I made the photographs it was certainly my understanding that Miss Chavez consent had been given for the use of the pictures in this matter. I am hoping that you may have a signed release which will end the matter. In any event I have requested Mr. Cornwell to see you about the matter as it was Mr. Weir who brought Miss Chavez for the purpose. I sincerely hope that the matter can be easily settled as I am sure you will have no desire for a law suit.

I was on the point of writing to you to see how you liked the cards and how they were selling.

hoping that this can be straightened out easily,
I am

Very truly yours,
