Miss Laura Gilpin

Dear Miss Gilpin:

The Colorado Springs--Santa Fe expedition arrived home safely, notwithstanding a certain amount of anxiety enroute. Of course the Laboratory personnel was quite stunned at the magnificence of the additions to the Stewart Collection.

I want to thank you for the several courtesies you extended to Mrs. Mera and myself among which none was more appreciated than the drive to your ranch.

By the way, I found a very pat occasion while alone with Mrs. Stewart to again mention your wish to dispose of your blankets. From her reply I am positive that she understands. It may be that if you give her the right opportunity she may speak to you about the matter.

In any event if nothing comes up and you wish us to care for the blankets I will see that it is done.

Hoping you will not fail to come up to see us when you are again in Santa Fe,

Sincerely,

H. P. Mera
