Dear Miss Gilpin:

Please pardon my garbling of instructions regarding your prints, I am sending them to you today.

I showed the new lot to Mr. Clair Laning who was delighted with them, and most enthusiastic in his praise of your work. The enclosed list of subjects we would like to include in our New Mexico State Guide. I will ever-lastingly grateful if we can have your permission to use them. If you will let me have the prints I can send them in the group which must go from this office to Washington by the first of July, or you can send them directly to Mr. Alsberg in Washington.

In a recent letter from Mr. Alsberg he spoke of having given your address to a Miss Parker of Travel Magazine. Miss Parker was anxious to have outstanding photographs of Indian subjects, and Mr. Alsberg said that yours headed the list.

Sincerely

Dear Laura -  
May I add a note - what a decent pretty Swag. I thought that I could keep the prints for the Guide - But please forgive me - Eric sailed today with his doctor's degree in the pocket. He took his "viva" Monday, I got the cable yesterday. He lands Monday & should be home the latter part of the week. Best love - Aileen
