Dear Miss Gilpin:

The twelve (12) photographs that you have so generously given to the Federal Writers' Project for illustrations for the New Mexico State Guide were received in this office on June 30th. May I thank you in behalf of the Federal Writers' Project of New Mexico, and also, may I express my appreciation of your splendid friendship?

Sincerely,

By: Aileen Nusbaum

Dear Laura. What a peach you are! Bless you.
Heinz will be home about Sunday. He had to see so
many people in the East. But he has a job.
