HOTEL DEL MONTE
DEL MONTE, CALIFORNIA

June 2-1940.

Dear Miss Gilpin:

Mrs. Stewart wrote me "Laura is recovering". She evidently thought I knew you had been ill. This is to tell you that I hope you will not take up the work for me until you have regained your strength. I am to be two or three weeks late in getting the labelling done under the photos in the dummy, I fear, so any delay because of your illness will not be serious.

Hoping you will soon be entirely well, I am

Sincerely yours

W. H. Cowles

I expect to be here until June 7th, then to Spokane.
