Miss Laura Gilpin

317 Cheyenne Road

Colorado Springs, Colorado

Dear Miss Gilpin:

As you requested, I enclose data to accompany the picture of the Alfred Cowles, Jr., Yale crew. Will it do to put, on album page No. 129, picture No. 206 of Alfred Cowles, Jr., with No. 323, the picture of him in his freshman year? This would leave album page No. 131 for the picture of his crew -- picture No. 426 -- which really shows up better than I thought it would.

In the Cowles genealogy which I sent you, the date of the death of Sally Cowles, wife of the Reverend Giles Hooker Cowles, should be 1830 instead of 1839. Will you kindly make this correction?

Also enclosed are copies of data regarding William Pyncheon, Charles Chauncy, and Edwin Cowles, of the Cleveland Leader.

Sincerely yours,

*W. H. Cowles*
