Miss Laura Gilpin

317 Cheyenne Road

Colorado Springs, Colorado

Dear Miss Gilpin:

I enclose, for Volume I of my album -- to go on an inserted page immediately following page 93, four engravings by John Cheney, together with the caption and article to be placed under them. I have numbered these engravings, on the back, 2001, 2002, 2003, and 2004.

If you can do so successfully, it is desirable to have these engravings photographed, showing any printed lines above or below each. I should like the engravings reproduced as near to the original sizes as possible. One of the engravings, entitled "Dorothea," is on page 50 of the "Gift Book" which I am sending you herewith -- I hope this will not interfere with photographing it. The fact that an engraving appeared in a "Gift Book" is important, as you probably know. *Three engravings belong to a collection. Kindly guard them.*

Sincerely yours,

W. A. Cowles
