My dear Miss Gilpin:

I have your letter of the 6th concerning the books for Mrs. Stewart. If I remember correctly, the last book came in single sheets and on each sheet there was one (1) inch allowance for binding purposes. If you keep your paper an inch larger at the binding edge, for the present book, it will be all right.

If you will cut your paper 14" x 12", this extra inch will be folded over and will reduce the size of the book to the intended size of 14" x 11".

Sincerely yours,

Jean Eschmann
