Dear Miss Gilpin,

I was sorry not to see you when you were here. Be sure to let me know the next time.

Thank you for your kind comment on my book. It has so far stirred up only local annoyance or approval in the Southwestern towns in direct ratio to how they came off. But reviews from the New York papers which came yesterday bring me much cheer. They have been willing to review the book for what it purports to be and with most gratifying approval. Of course, I foresaw disapproval on the part of chambers of commerce and local boosters and am losing no sleep over it. The New York Times reproduced your Canyon de Chelly picture, giving you credit. I hope you saw it.

I inclose my check for \$5.00 for the Grand Canyon print.

I inclose this leaflet as it occurs to me you may be able to and willing to introduce me to a club or the museum or some other group in Colorado Springs which might be interested in hearing me. If so, I shall appreciate your sending this leaflet along or telling me where I may send others.

most cordially yours

Erna Ferguson
