Miss Laura Gilpin,
317 Cheyenne Road,
Colorado Springs, Colorado.

My dear Miss Gilpin:

It was indeed a treat to have the beautiful collection of prints which you were good enough to let us display in January and February, in cooperation with the Dallas Pictorialists.

After receipt of your last letter and consultation with Miss Herring we decided to keep the exhibit up through last Sunday, to give additional people an opportunity to enjoy it. The attendance and general public interest in this exhibit have been remarkable.

Earlier this week we shipped the entire collection by express to Mrs. Kenneth Carpenter, 7142 Northmoor Drive, Saint Louis, Missouri.

Hoping that we may have the pleasure of exhibiting prints by you again, I am

Sincerely yours,

HERBERT GAMBRELL,
Director of the Museum.
