Dear Miss Gilpin,

In accordance with the policy of NATURAL HISTORY Magazine, you will receive two complimentary copies of the issue containing your photographs.

We have already noted your request for six copies of NATURAL HISTORY Magazine, but as every photographer is entitled to procure additional copies at 20¢ each, which is below cost, we are wondering if you would like to take advantage of this price by ordering more. Will you please let us know immediately? Please note that it is impossible for us to provide you with copies at this rate beyond the number which you order at this time.

Please do not remit payment at this time as a bill will be sent to you.

Very truly yours,

Ruth Gannett
