REV. JOSE GARCIA

RANCHOS DE TAOS, N. MEX.

May 29, 1940

Dear Miss Gelpin;

Could you please send us more sets of pictures of our Church? We finished the ones we had, and tried to sell some of the Chimayo pictures you sent, but these do not sell at all.

Please send me a statement how many you have sent already, as I miscounted my last order, due to the Chimayo pictures included. I want to know how soon I'll have run through the free ones you promised. Sincerely,
Jose Garcia
