Dear Miss Gilpin:

In reply to yours of January 22 we have received the two Carlton Tunnel negatives, and appreciate your kindness in having forwarded them so promptly.

Regarding your invoice for \$40 we still feel our original offer of \$30 is a fair price for this work. We have had photographs made here and as soon as they are retouched and rephotographed will return your original negatives if you still desire them. In that case, however, we would feel justified in deducting the cost of the four prints which we have had made ourselves.

The net amount due you on this basis will be \$28 and if this is satisfactory please send us an invoice in this amount.

Very truly yours,

THE EIMCO CORPORATION
