Dear Sirs:-

Enclosed please find my check for \$48.30 for two ounces avd. of potassium Chloro-platinite. K_2PtCl_4 . This is the same sum as that purchased from you a few weeks ago. As the job I am working on has been greatly increased, I may need still a further quantity, and I would appreciate it if you will keep me advised as the quotation on this chemical.

I trust that the scraps I sent in to you were of some value, and what ever the rebate is on both the scraps and the returned bottle I would like in an added quantity of the above.

Very truly yours,
