Mrs. George Cranmer,  
200 Cherry Street,  
Denver, Colorado.

My dear Mrs. Cranmer:

Once again I am writing regarding a possible concert for Mr. Petri. The Art Center and the College jointly are considering bringing him here around December 12th and we are very anxious to get a second engagement. With two concerts here he can be brought for \$350. for each concert.

I do hope that this is early enough in the season so that plans can materialize satisfactorily.

With kindest regards to you and Mr. Cranmer, I am,

Sincerely yours,
