Dear Father Garcia:-

For several weeks I have been expecting to come down through Taad, but work has kept me here.

I am sending you to-day 16 sets of the Church and I was delighted to know that you have sold all the others. I sent you the 100 sets I promised you last year, in two lots of 50 sets each.

These sixteen sets will carry you for a little while and then you can order some more.

I enclose a statement of all of them and you will see what you want me to send you.

With best wishes, and hoping that I may be down again before long, I am

Very truly yours,
