Dear Sirs:-

Herewith I am enclosing my list of slides of Southwest material. However this by no means covers my list of subjects, as the enclosed list is a series of slides put to-gether for a definite lecture.

I have some slides on hand @ \$1.00 ea. and could make anything you wish. I also have a series of the Mayan ruins at Chichen Itza, the prints of which were shown at the Southwest Museum of your city several years ago. This series @ \$1.50 ea or any part thereof.

I have not yet made Kodachrome slides for sale, having only a few isolated subjects. However, I should be glad to undertake this if the market warranted it.

I hope there this information will be of some interest to you. If you can give me an idea of what you want, I can tell you if I have the material available.

Very truly yours,
