Miss Frances Quarles,
Taos, New Mexico.

Dear Miss Quarles:-

It is now more than a year since I sold you the post cards on the enclosed statement. I have sent you numerous statements and letters and have never had any response what ever. The price charged you on this sale was for a cash sale and if I do not hear from you in some way in answer to this, I shall have to bill the cards on a consignment rate and put the bill in the hands of a collector which I do not want to do.

As the cards have sold very well in other places in Taos as well as other parts of New Mexico, I am sure that you must have disposed of these long ago.

Hoping that I may hear from you very shortly, I am

Very truly yours,
