Mrs. Ryan,
% Sandia School,
Albuquerque, N. M.

My dear Mrs. Ryan:

I cannot remember whether I discussed with you last year when I saw you in Albuquerque the possibility of a concert by Mr. Egon Petri. At that time Mrs. Sims told me verbally that she would back such a concert, but we were unable to get him and it all fell through.

It seems now as though the prospects are good for concerts here and in Denver some time during the week December 12 to 17. If we can get two or more concerts in this region we can get Mr. Petri for \$350. a concert, and I am hoping that this is early enough in the season that plans may be satisfactorily completed at this time.

As I am not at all sure of your address, I am sending this care of Sandia School and I am sure they will forward it to you.

If you will be kind enough to let me know what the possibilities are at as early a moment as possible, we can then proceed with final arrangements.

With kindest regards, I am,

Sincerely yours,

LG/L
