Miss Laura Gilpin

317 Cheyenne Road

Colorado Springs, Colorado

Dear Miss Gilpin:

Before Mr. Cowles started east this morning, he asked me to mail to you the enclosed picture and caption slip covering Theodore Roosevelt's visit to Spokane in 1911.

As the caption slip indicates, the picture is to go on page 125b, immediately following page 125a, containing picture No. 316 of Mr. and Mrs. P. B. Stewart and Patricia Louise Stewart. The lefthand, marked portion of the enclosed picture is the part Mr. Cowles wants used, showing the house and the car bearing Theodore Roosevelt and others.

After you have finished with this picture, will you kindly keep it with the others which are to be returned ultimately to Mr. Cowles?

It is the plan to have the picture of Theodore Roosevelt on a hunting trip, with Mr. P. B. Stewart and Dr. Alexander Lambert, on album page 125c -- the picture and wording to be secured from Mrs. Stewart. I believe Mr. Cowles has written you about this picture.

Sincerely yours,

Elvie H. Grund
