Dear Miss Gilpin:

I am interested in having a good photograph made of each of my boys, as I was disappointed with the last proofs sent me. If you can work with them again when you are at the school, I shall appreciate it very much.

Would like to have about a half dozen large pictures and perhaps several minatures.

I was very sorry that the proofs made a short time before Christmas were unsatisfactory. If you can make some that are satisfactory, I shall be glad to give you an order.

Very truly yours,

Ernest Hundahl
