Dear Miss Calpin -

Thank you for
writing - it was good to hear
from you - but I am sorry
you didn't keep the Committee -
I am sure if you could find it -

I shall be glad to go on
with the book any time &
hope I can do it successfully
& to please you - You may
send some pages any time.
I shall probably be slow
at it - but will enjoy doing
it - always like to finish
what I've started - no
doubt you do too -

You do not owe me anything
at all - & there would be no
need of paying at once for
anything I might do - &
besides it may drag - as I
do not work long hours -

Sincerely yours

Edward E. Hulbert.

So very glad to hear
you had a large order -
I have it nearly finished
