Miss Laura Gilpin:

I am retaining the picture, "Temple of the Three Lentils", which you recently sent me, for further consideration. I regret to say that this is not the picture I desired to get from you. The picture I had in mind was a view of a long series of steps leading up to such a temple. Would you please examine your files again and try to find that picture for me?

Your cooperation has been most helpful to me, and I appreciate your efforts very much. I am very sorry that, after returning the first picture, I was not able to use the second immediately. I am retaining the second picture, however, and I hope to use it in connection with another book. I will inform you as to this shortly. If you are able to send me the picture I have described, I will be very glad to use that.

You have entailed certain expenses in helping me to find this picture. If you would send me a statement of those expenses of mailing, express, etc., I would be very glad to reimburse you for them.

Sincerely yours,

Walter D. Loban
